## **Please complete and return this form so we can investigate your claim.**

**This form is for information only and does not constitute any admission of liability on the part of Grenada Electricity Services Limited.**

Be as accurate and complete as possible, and attach any documentation that you have to support your claim and the damage amount. The claim must be submitted within 30 days of the event.

If you need additional space, use a separate piece of paper. We will conduct an impartial investigation and render a decision as quickly as possible. Please note that our investigation may include field inspections to verify damages claimed and to obtain such other proof as required by the circumstances of the case. We may need to examine damaged items while conducting our investigation, so please do not dispose of them (except spoiled food) until we have authorized you to do so. We will notify you when we reach a decision on your claim.

Damages resulting from storms, wind, accidents beyond our control, vandalism, tree or wildlife contact, equipment failure, scheduled outages or normal operating procedures will not be reimbursed.

### **Food Spoilage**

If your claim is for food spoilage, your supporting documentation should include an itemized list of spoiled items shown with the price of each and total for all items, and copies of receipts or canceled checks, if any.

### **Equipment or Property Damage**

If your claim is for equipment or property repair, your supporting documentation should include copies of bills paid to have the property repaired, or in the event that you choose not to have the property repaired, a copy of a written estimate of the cost that would have been incurred if the property had been repaired. If an item is not repairable, you should state that information and your supporting documentation should include proof that a total loss of the property resulted.
