

# Request for Proposals

## Grenlec Generation Expansion

Grenada Electricity Services Limited (Grenlec) is inviting suitably experienced and qualified firms to participate in the bidding process for its Grenlec Generating Capacity Expansion Project with Dual Fuel Reciprocating Engines.

Please be advised that the eligibility criteria for obtaining the RFP document is restricted to only those companies which have experience in the Engineering, Procurement, Construction, Operations and Maintenance of Power Plants utilizing reciprocating engines.

**Formal requests to obtain the RFP must be made in writing to the following:**

Owner's Engineer Project Manager:  
Mr Brian Elliff, Mott MacDonald (MML)
